

Protocols for Point to Point Owners

General:

- Do not attend a Point to Point if you have symptoms of temperature, cough, cold, shortness of breath or any flu like symptoms or if you have had contact with a known case of Covid-19
- Hand hygiene to include regular washing of hands using your own personal alcohol-based hand sanitiser
- Cough etiquette to be strictly adhered to, cough into a tissue, place in bin and wash hands, if tissue unavailable, cough into elbow
- Avoid touching your face
- Always adhere to 2m social distancing
- Face masks/coverings are mandatory for all attendees at Point to Point meetings
- If you become unwell while at the Point to Point go immediately to your car and call your GP
- Owners from counties which are in Level 3 or above of Ireland's Plan for living with Covid-19 are not permitted to attend a Point to Point meeting
- Owners will be permitted one admission only, per horse entered which is an intended runner (an owner is deemed to be a sole owner, syndicate, club, company or partnership). For owners other than a sole owner, only one person may be nominated to attend the Point to Point
- Any Owner attending a Point to Point must be fully aware of the Pre-online Registration and Health Screening Protocols. These can be found on page 5 of the Protocols for Point to Point Racing in Ireland Behind Closed Doors at www.ihrb.ie/10-point-to-point and the registration should be completed online in the dedicated timeframe i.e. between 9am Thursday to 8pm Friday, before attending a meeting that weekend. When completing the online registration as an Owner, the name of the applicable horse must be noted, so the one Owner per horse entered which is an intended runner can be strictly enforced.

Before and after the race:

- Owners are not permitted to access the parade ring before or after each race with the exception of the winning owner after the race
- Stand apart from your Handler/Rider at all times when in conversation outside of the Parade Ring, at least 2m apart.
- Winning Owners: follow instructions of photographer and keep 2m distance from Handler/Rider/Groom
- No celebratory hugs or hand shaking at this time

Other Requirements:

- Owners must present their QR code at the Health Screening horsebox on arrival at the Point to Point Meeting and once access has been permitted, they should park their car where directed by a Hunt Official
- No congregating together in groups, 2m distance at all times everywhere
- There will be no indoor area for owners or any catering available at the Point to Point meeting so please bring your own refreshments
- Please leave the Point to Point meeting when your horse(s) have ran

Travel:

Please refer to the General Covid-19 Information on page 35 of the Protocols for Point to Point Racing in Ireland Behind Closed Doors for travel advice.
