Click Register (Register button will appear in orange once tickets are selected) on the bottom of the page to proceed to the next stage.

Check your email after registration to ensure you received your tickets, the tickets containing your QR code will be in a pdf attachment in email.

You will need to present this QR code at the gate where it will be scanned in order to gain admission to the venue. If you do not receive a QR code please phone 045-885622 as you will not be able to gain access to the fixture without it.

If you have answered 'Yes' to any of the questions during the Medical Screening, you will receive a call from the IHRB Senior Medical Officer or relevant person and until you have received the go-ahead from them, your QR code will not be valid.

If it is not deemed safe for you to attend, you will be informed of this and your QR access will be made void, preventing you from getting access at the gate.
